Date: June 15, 2023

TO: Southwestern Public Service Company Transmission Customers
       Parties to FERC Docket No. ER08-313-000 et al.

FROM: Casey Settles, Case Specialist – Regulatory Administration, Southwestern Public Service
       Company

Notice of Customer Meeting
SPS Transmission Formula Rate Annual Update

In accordance with Southwest Public Service Company's ("SPS") Annual Formula Rate Implementation Procedures set forth in Appendix 1 to Attachment O - SPS of the Xcel Energy Operating Companies Joint Open Access Transmission Tariff, SPS hereby provides notice that a Customer Meeting will be held from 9:00 a.m. to 11:00 a.m. CDT on Thursday, July 13, 2023 in person and also via Microsoft TEAMS to afford interested parties the opportunity to discuss the Annual True-Up of the 2022 SPS Formula Rate.

On June 15, 2023, the Annual True-Up package was distributed to customers and posted on the Transmission page of the Xcel Energy Inc. website and the SPP Member Related Postings page of the SPP OASIS website. This meeting notice is also being posted on the websites and the materials may be accessed at the following URL addresses:

https://opsportal.spp.org/OASIS/Directory/Member%20Related%20Postings
